

## Anti Spamming Policies

ShopHutchinsonMN.com strictly prohibits Spamming. **One of the most serious abuses is using your advertising to send unsolicited commercial e-mail, otherwise known as Spam.** The following are examples of Spam and are blatantly contrary to our Terms of Service and Acceptable Use Policy, and will result in termination of advertising services.

### Inappropriate E-mail Activities

- **Commercial e-mail:** Defined as sending **unsolicited** commercial e-mails. This is prohibited. You are not permitted to use our services to collect user information for the purpose of sending **unsolicited** commercial e-mail.

You **are allowed** to collect user information for **“Opt-in”** email marketing campaigns.

- **Mail Bombing/Spamming:** Defined as sending large volumes of **unsolicited** e-mail to individuals. This is strictly prohibited.

### Inappropriate Content:

- **Off topic or inappropriate postings:** There is no restriction on content, except as defined by ShopHutchinsonMN.com’s Acceptable Use Policy. Continued posting of off-topic content is prohibited.

We take a very dim view of Spam. It is one of the most annoying things encountered on the Internet. Any advertiser found to be Spamming in violation of this policy statement may have his/her advertising contract terminated immediately. (We will investigate the report thoroughly before terminating any account).

We are not attempting to censor, nor are we attempting to curtail the business of our customers. But as a whole, Spamming hurts our members and us more than it helps the one who does the Spam. Do yourself, and us, a favor: **PLEASE DON'T DO IT.**

**By paying for advertising services on ShopHutchinsonMN.com, you agree to the terms outlined in this document.**
